

Celebration Cakes

Our custom made cakes can be arranged for any occasion, such as birthdays, events, anniversaries and many more. All of our cakes come with the free option to include a white chocolate plaque with a personalised message. If you require something more specific than what you see here, please ask for one of our staff Team Leaders to help you place an order. Other gluten friendly or allergy specific alternatives may be possible on request, please enquire for more information.

GF - gluten friendly*

DF - dairy free

**As per our Allergens Statement, our products that are listed as gluten friendly are made specifically for those with gluten intolerances (although anyone can enjoy them!). However, since we also produce many items that contain gluten we cannot list them as gluten free by Australian food safety laws. If you'd like to know more, please ask us about our Food Safety Procedures.*

Note: *most cake orders can be taken by 11am the day before, however due to the unique qualities of some of our celebration cakes, they are subject to availability and may need more notice. Please contact us for more information.*
